**AUGUST 11, 2017**

- LEAD AGENCY:** City of Jackson
- PROJECT TITLE:** City of Jackson Wastewater Treatment Plant Improvement Project
- PROJECT LOCATION:** The existing Wastewater Treatment Plant (WWTP) site is located at 39 North Highway 49-88 in the City of Jackson on Assessor's Parcel Number (APN) 044-180-007-000. The WWTP is immediately north of Jackson Creek and approximately 6.5 miles upstream from Lake Amador.

**SIGNIFICANT ENVIRONMENTAL EFFECTS:** The certified Final Environmental Impact Report (EIR) for the City of Jackson Wastewater Treatment Plan Improvement project addressed the following environmental issue areas. An addendum was prepared for the project in 2014 to address modification to the project design that limited improvements to the WWTP site.

Addendum #2 to the Final EIR identifies that minor modifications to the current project design would not result in any new environmental impacts or a substantial increase severity of the previously identified environmental impacts in the Final EIR or the 2014 Addendum.
