

# Argonaut Mine Site Public Availability Meeting

The California Department of Public Health invites you to learn about an evaluation that we are conducting on potential contamination from the Argonaut Mine Site and to share any concerns. Please join us on:

**Thursday, October 26, 2017**

City of Jackson's Civic Center  
33 Broadway  
Jackson, CA 65642

## **6:00 to 6:30 pm - Presentation**

During this session, staff from the California Department of Public Health will be discussing:

- What is the Department of Public Health evaluating in Jackson?
- How can you participate in the public health assessment process?

---

## **6:30 to 7:00 pm - Informal Discussions**

During this session, you will be able to share any health or exposure concerns related to the Argonaut Mine Site, and discuss your concerns with our staff on a one-on-one basis.
