SUBJECT:

POTENTIAL PROGRAM(S) FOR INCLUSION IN THE STATE COMMUNITY DEVELOPMENT BLOCK GRANT CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY ACT (CDBG-CV) APPLICATION

– The City Council will consider potential CDBG-CV programs and provide direction for staff to prepare an application in response to the release of the Notice of Funding Availability (NOFA) for CDBG-CV funds for COVID-19 related activities that benefit low- and moderate-income residents.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act in response to the impacts of the COVID-19 pandemic. The State Department of Housing and Community Development (HCD) published a Notice of Funding Availability (NOFA) for Community Development Block Grant Coronavirus Aid, Relief, and Economic Security (CDBG-CV1) funds. Eligible cities and counties may submit applications for CDBG-CV funds under the NOFA. It is estimated that the City of Jackson will be eligible to receive up to **\$73,191** based on a formula provided by HCD.

Eligible activities paid for with State CDBG funds must meet one or more of the three National Objectives listed in CDBG Federal Statutes as follows: benefit to low-income households or persons (also called Low/Mod Benefit) or meeting urgent community development need (a need resulting from a state or federal declared disaster). In addition, eligible activities must be used directly to prevent, prepare for or respond to COVID-19 and meet CDBG requirements as provided and directed by HCD in the published NOFA.

The City of Jackson anticipates submitting an application under this NOFA, when released. The City **does not** expect to expend any Program Income dollars in the next program year/contract term.

The City promotes fair housing and makes all its programs available to low- and moderate-income families regardless of age, race, color, religion, sex, national origin, sexual preference, marital status or handicap.
